240th Quartermaster Supply Company

ROLLING ALONG!!

The Rock is rolling along! We hope everyone enjoyed their memorial day weekend and has some great plans for the upcoming battalion designated four day as well. As you can tell, summer is definitely here, so get out and enjoy the countryside while you can. Please remember to keep things safe throughout your plans. Its fantastic weather for barbequing and swimming and both can be very dangerous if not done carefully and under proper supervision. Take care of yourselves and one another and you'll have plenty more long weekends to enjoy. SAFETY FIRST!!!!!!!

Many of our soldiers were once again recognized for achievements and awards during Pay Day activities last Friday and most were able to enjoy a half day schedule and spend the day with their families. The battalion plans to do these once a month to recognize soldiers and give them a well deserved half day off.

Elizabeth Mez is the newest spouse to join the 240th Quartermaste Company's FRG.

The company has been very busy again with getting the unit back up to par with lots maintenance, inspections, and training. We have just entered a long awaited "range we soldiers will have the opportunity to once again qualify on their weapon system. PT cont be rigorous as we continually improve our company physical fitness level. The first APFT conducted at the end of May and the company did very well considering the time off afte redeployment and such. We will continue to improve daily.

One year ago, SPC Daniels and SPC Villa were working around the clock to ensure LSA Anaconda had purified water.

FRG

We are back into swing with our FRG. You can mark your calendars for the third Tuesday of each month. We will hold meetings on this date unless otherwise stated. We are currently going with a potluck theme each month, so look for the flyer detailing which platoons bring which dish. Also we should be distributing an FRG roster very soon.
